

# LUMIÈRE

## Volunteer with us

The Annual Lumiere Festival is a free, all-ages event. Volunteers are a crucial part of our success and we couldn't do it without your support!

We will work with you to find the best match of shift and role for you or your team. Below are the available roles that may interest you.

Shifts available starting November 5 to 12.

### Event Set-Up / Strike - Nov. 5, 6, 7, 10, 11 & 12

Assist with the installation of event signage and infrastructure. Help ensure everything is in place before the festival and assist with dismantling after the event.

### Crowd Counters - Nov. 7 - 10

Our data-collecting team makes a HUGE impact. This team roves the festival or is stationed at specific locations to count attendees throughout the evening. Volunteers may also help direct the flow of visitors, monitor entry points, and ensure that everyone enjoys the festival safely and smoothly.

### Guest Experience - Nov. 7 - 10

Serve as a guide for festival-goers by welcoming visitors, offering information about the artworks, providing directions, and enhancing the overall visitor experience by being a friendly and knowledgeable presence.

### Workshops - Nov. 7 - 10

Our interactive, family-friendly workshops allow spectators to actively participate in the festival through lantern making, bike decorating etc. Volunteers are needed to support with set up, take down, distribution of supplies and to ensure a fun and safe environment for our younger attendees.
